Prouille's New School!

A meeting was held at the Catholic Schools Office this morning involving the Director, Brother Tony Whelan; the Architect, Mr Terry O'Hanlon; Senior Professional Officer - Schools Building/Classrooms Planning & Development, Mr John Menday; Traffic Engineer Consultant, Mr Lyle Marshall; Schools Consultant, Diann Hynes; myself and fellow principals.

The final changes to the present DA submitted earlier this year were addressed (areas of concern that were raised by Council). Again the Committee moved forward positively, with the revamped DA hopefully in Council before school closes this term.

Important – Notification Required of Students Withdrawing from Prouille

Please collect and complete a Student Withdrawal form as soon as possible to notify us of any student who will be withdrawing from Prouille at the end of this year. We are currently assessing numbers for classes for 2009 and this information is vital.

St Lucy's School – 70th Anniversary

St Lucy's School is celebrating its 70th Anniversary and wants to contact all its past students, staff and supporters. Please keep Saturday 8 November free.

SILKWORM BONANZA

Would anyone like some silkworms – almost fully grown and only 1-2 weeks of growing left before forming (silk) cocoons. We have hundreds. You need to have access to a mulberry leaf supply. ALSO: does anyone have spare mulberry leaves we could have to feed this huge colony of silkworms? Very happy to pick the leaves up (off the tree). Will only need them for 2-3 weeks. Thanks.
