Term 4 Week 4 2008

Dear Parents,

Last Friday was World Teachers' Day. The P&F Executive team, on behalf of the parent community, invited the staff to enjoy High Tea at the Coonanbarra Café – and enjoy we did!

Sincere thanks for your kindness, thoughtfulness and generosity – it was certainly appreciated by us all.

Gross Motor Activities for Kindergarten this term are proving to be most successful, thanks to the overwhelming support of parents. This support makes the project for the teachers achievable – and very beneficial for the children.

Health is a hot topic in the media and our National and State Governments keep it to the fore.

Prouille works to ensure that physical activity and healthy foods form part of the weekly learning activities. Excellent nutrition is needed to function at peak levels, as every athlete knows.

As the saying goes: *"If they don't eat right, they don't learn right"*.

Medical statistics on "brain drain" state that 10 percent of people are sensitive to gluten – milk intolerance – gastric reflux – and not forgetting the effect of some foods on ADHD students.

The K-6 Fruit/Vegie breaks are proving very worthwhile.

Next Tuesday, 11 November, Prouille will have a professional Occupational Health & Safety Audit carried out. Much preparation has occurred with the help of the Catholic Schools Office and Miss Rachael Hollands.
